Dear Mr. Austin & Ms. Maloney,

This letter is in response to your question regarding, if the fill must be removed from sites 9 & 12 and the access road, or can loam be placed and vegetation planted over the filled area. This question was sent, within the written response from you, to the last Violation Order dating September 17, 2007.

It is best to remedy all violations as stated in my letter dated above. I ORDERED the fill on sites 9 & 12 along with the access road to be removed. My ORDER will stand as stated. The Town of Gray appreciates your cooperation and willingness to comply. Please contact me if I can be of any assistance at 207 657-3112.

Sincerely,
